Re: For Sale Canon XH G1 HDV Digital Camcorder 890euro

Posted by Carloos - 05 Feb 2010 18:05

Hi, thanks for your great offer but I would like to know about the shipping charge? Do you use viaddress.com ? It provides great service! I've been looking to buy some electronic equipment from a USA EBay seller, unfortunately he doesn't ship internationally, so I shipped the items to my address at viaddress and my packages arrived in 2 days. Their customer service was excellent and very helpful. Please let me know what you think.

Thanks!
